Rebecca Botheras

Gained a Bachelor of Sports Management at Victoria University.

During her course Rebecca was fortunate to obtain various roles within memberships, fan engagements, events and match day operation at Netball Victoria, Netball Australia, Collingwood Football Club and the Western Bulldogs Football Club.

Whilst studying at VU, Rebecca was awarded the “Golden Key of the International Society for Academic Excellence”.

Since graduating, Rebecca has returned to Regional Victoria to continue her career in Sport as the Sports and Recreation officer for the Yarriambiack Shire Council. Rebecca started her new career in a year with a difference as she only had a few months working from the office before having to continue her work from home using Zoom and a scattering of road trips to check on the projects she was working on within the Yarriambiack Shire.
